

Rotary Club of Calgary West
(Building a Strong Foundation)
Club History
From 1992 to 2007

Again we owe Ron Staughton a large Calgary West vote of thanks for organizing the past president's history reports for 1992 to 2007. And also for making up two of the missing reports.

Going forward, each immediate past president will prepare a summary of their year and it will be added to the history on our website.

Rotary Club of Calgary West

Next 15 years of Service & Achievement

1992 - 2006

Introduction

When I'd completed my 25 year history of the Rotary Club of Calgary West in 1992 I joked that after that rather Herculean task the Club wouldn't get another history from me until another 25 years had elapsed. Two years ago however I was approached by Jim Willson who suggested that I produce a 10 year update but that this time to lighten the load he would undertake to co-opt all the past presidents to write up their own year. Easily swayed and obliging as I am in a good cause I agreed. After I had agreed and launched into the task I realized that one President had absconded in the 1996-1997 year and the immediate past president had moved away without access to our records. Thus I had two presidential years to write up myself!

It was after making some progress on those reports that Jim moved the goal posts on me by suggesting we add three more years to bring us up to Rotary International's Centennial year. SO hear we are!!

When you have finished reading this history of Calgary West Rotary Club you will understand why Rotary world-wide is such an outstanding success. It is because we are just one small unit of a huge organization and yet, take a look at what our club alone has accomplished!! Haven't we had a great time doing it? I've visited some Clubs where the thought has crossed my mind that I've had more fun at a funeral parlour but warm fellowship and great good humor are a hallmark of our Club.

May it always be so. I'm proud to be a member of such a fine group.

Ron Staughton, Club Archivist & Historian. December, 2005.

During the 1994-1995 Rotary year, Calgary West celebrated the **RI theme of “BE A FRIEND”**. As a friend, our club emphasized our commitment to make a better community – a broad commitment that includes the international community, our neighborhood, our club and our members and their families. We invited all of our members and their spouses to take part in our Rotary meetings, projects and fellowship.

Membership News From the Bulletin

During the year we welcomed **Chris Davis** (who memorialized his part of Rotary by falling off the stage during his classification speech), **Mier Porat, Yvonne Sugmato, Elizabeth Wesley, Bill Faulkner, Rick Shulli, Walter Krawciw, Marty Barry and Aquell Athar** (who moved away and then missed us so much

that he moved back!). With great sadness, long-term member **Mike Barrel** passed away after many years struggling with kidney disease. **Alan Waldie** left us to go to College Station, Texas. **John Hutton** moved to Ottawa and joined an Ottawa Club. **Murray Vimy** resigned from the club. Our membership during the year was 88.

Youth Exchange

Our outgoing exchange student was **Heather McCarney** who went off to Japan. We welcomed **Stephanie Bonniseau** from France.

Fundraising Events

Our funding effort was very successful during the year. Bingo raised about \$35,000 and a casino raised another approximately \$25,000. We also had a very rewarding fashion show and auction at The Petroleum Club. This initiative, spearheaded by **Verneil Martin** and **Karen Chase**, was great fun and netted us some \$20,000. There was wide involvement by both our club members and their spouses. We will never forget the sight of **Herb Sattlegger** strutting his stuff on stage; big bad **Stan Cichon** dressed as a cowboy bad guy or the elegance of **Lourdes McLaughlin, Jacki Joki and Sandy Watson**. Along with the money from the Calgary Rotary Foundation and garage sale, we met our goal of raising \$1,000 per member.

Project and Funding Projects

We continued to support the ongoing projects of Calgary West. We sent students to RYPEN, RYLA and Adventures in Citizenship in Ottawa and had both incoming and outgoing exchange students. Support of our partnership at Shaughnessy, Alpha House and William Roper Hull Home breakfast continued to be strong as well as our reading program to "Keep Kids in School" at the David D. Oughton School. We had the opportunity to play volleyball twice with the students and staff of Shaughnessy. Charitably, we had mixed results. In the community, we supported Jamie's Play School, the Kerby Centre, the Food Bank, Epilepsy Association of Calgary, Connection Housing Society and the Salvation Army. We bought a new costume for Simon the Safety Bear. Half of the money raised at our Fashion Show and Auction went to CNIB. We also made a major contribution to the Inglewood Wildlands Project.

Internationally, we funded the Georgetown Hospital in Guyana and FINC Banking. We also supported the Sorn Teto Project in Brazil to replace an orphanage destroyed by a mudslide. This was a project brought to us by **Al Gerwing** (Tim's Uncle) who had worked many years with the children in the burros of South America. We provided major support to the RI Foundation. Calgary West received a district award for being the club with the second highest per capita contribution to the Foundation in our district.

We supported the District Integrity Award Program by presenting an award to **Michele Stanner** for her work on the Council of Canadian Unity and the Friends of the Grace Hospital.

We also began three projects that combined funding with sweat equity. We constructed a back sidewalk for a client of Accessible Housing. The year marked the start of our club's involvement in the Adopt-A-Highway program and Feed the Hungry at St. Mary's. These projects along with William Roper Hull Home breakfast and our reading program at David D. Oughton School not only involved our club members but their families also.

Social Events

It was an active year for social events. We started the year with our Stampede Parade Breakfast which hosted incoming **RI President Herb Brown** and **RI Chair of the '96 Convention, Jack Forrest**. We had our firewood cutting part at **Sam and Betty Switzer's**. The annual mixed golf tournament at Pinebrook and the fall BBQ at Springbank were great successes as we learned to line dance. The highlight of the year was our Christmas Gala at the Calgary Golf and Country Club. With great help from our Rotary spouses, **Verneil** put on a most elegant dinner and dance. The annual President's Dinner was put on in great style by **Dave Watson** at the Glenmore Club. Also, the "Guess Who's Coming for Dinner" Program proved to be a great hit.

In summary, the year was successful. Our membership increased, we met our fund raising goals, we supported both worthwhile international and local community projects and our meetings were varied and interesting. We made significant strides to involve all of our members, their spouses and families in our meetings, fund raising events, projects and social functions. We met our commitment to "**BE A FRIEND**".

The Year of the Rotary International World Convention in Calgary

1995/96 witnessed SaskAir flying under the radar, over the moon, with crumpled cargo, with broken wings but always on time and loaded with much fun and

fellowship. Our program year was dominated by the impending RI World Convention held in Calgary, June 1996.

(SaskAir for those not fortunate enough to be there was Stan's own mythical wholly owned and operated airline. The joke was milked by all and sundry in the club, sometimes with a straight face with visitors around much to the amusement of our members.)

Calgary West was once again front row and centre in the volunteer department. **Bill Tapuska** kept the club up to speed on all planning. **John Rymes** chaired the biggest Paul Harris luncheon ever held at an RI World Convention. **Lynne Thornton** was a key player in our chuck wagon canvass project as well as Family Day at Heritage Park. **Don Alexander** in his usual quiet but most effective manner organized 45 club members to host some 300 International guests during the Home Hospitality evening. **Ted Valentine** managing some 350 volunteers oversaw the task of welcoming guests to the airport. **Marilyn McIlwraith** was our liaison for commercial opportunities.

Stan Beveridge and **Des DeFreitas**, building upon a plan hatched at the NICE convention created a unique Calgary West initiative for the RI World Convention, a western style BBQ held in Bragg Creek at the home of **Sam and Betty Switzer**. Hosting the Organizing Committee from Glasgow Scotland, visiting Rotary dignitaries, Calgary West Rotarians, some 120 people were treated to an outstanding evening of western food, music, carriage rides and outstanding hospitality.

Student Focus

Our inbound exchange student, **Angela Maria Isaza** from Cali, Columbia arrived in August after a weeks delay due to visa clearance problems and an unexpected night stay at O'Hare in Chicago.

Jennifer Adams, a student from Dr. EP Scarlett High School was selected to be our outbound exchange student destined for Thailand.

Calgary West also hosted Rotary Ambassadorial Scholar **Yvan Botteron** from Neuchatel Switzerland. Yvan studied for a Masters of Electrical Engineering degree at the University of Calgary.

John Kiss, a Petroleum Engineer, was sponsored to be our Group Study Exchange representative.

Candis Mather, **Lindsay Bumanis** and **Sonya Stephanie Lowe** enjoyed RYLA in Athabasca as our representatives while **Ashifa Tejani** attended RYPEN at Eagle Nest Ranch near Medicine Hat.

Program

Perhaps the highlight of the program year was a tribute to **John Rymes** by **Paulo Viriato Corea da Costa RI President 1990-91**. Paulo stated, "Today, it is my pleasure, as chairman of the Rotary Foundation, to honor a person, to honor a fellow engineer, to honor a fellow Rotarian from Calgary West, to honor a great Rotarian with a Distinguished Service Award. Every year we grant only 50. We have over 1.2 Million Rotarians around the world but only 50 receive the Distinguished Service Award every year".

This year's program had something for everybody including the introduction of the head tables' "Jump Seat" which **Chris Davis** not so gracefully launched by tumbling off the podium in his chair. Politicians were prominent on the program agenda. **MP's Jim Sily, Jan Brown, Mayor Al Duerr, Senator Dan Hayes and Provincial Treasurer Jim Dinning** who spoke on "Act of the Possible" and no one blinked!

Fundraising and Projects

Fundraising efforts saw some \$45,000 from Bingo. \$6,500 value of non-perishable items were collected for the Food Bank by a joint Rotaract/Calgary West "Pantry Raid" spearheaded by **Rotaract President Greg Schell**. Benefactors of Bingo included \$2,500 to Feed the Hungry, \$3,000 to Alzheimer's Society, \$3,500 to Kerby Center as well as \$14,500 to CUPS as a joint project with Calaway Park and Calgary West.

Social and Sporting Events

Our year began with Stampede parade morning breakfast with Calgary West hosting none other than **RI President Herb Brown and his wife**.

A memorable moment for **President Stan2** was throwing out the opening pitch during a field trip to a Calgary Canons baseball game.

Fellowship included a Fall BBQ at Victoria Park Community centre, Feed the Hungry where 1,100 meals were served and our Christmas Party at the Calgary Golf and Country Club, which realized a profit of \$200 donated to the Salvation Army. The social year ended with the President's Ball, a formal event at the Petroleum Club where Club **President and CEO of SaskAir Stan Cichon** was hosted, toasted and roasted!

Attendance Notes

I only recorded for the first half of the year and they show 8 members with perfect attendance. Ed.

Social and Sporting Activities

The July 26-27 weekend was the Peace Park Assembly at East Glacier Park, Montana. Our Annual Stampede Parade breakfast was a huge success. At William Roper Hull Home 3,000 breakfasts were served before food supplies

collapsed under the weight of 4,000 attendees!! The Fall BBQ was held at the Victoria Park Community Hall, **Verneil Martin** was the able convener. On September 13th we ran a mixed golf day at Harvest Hills Golf Club and on the 25th a warm-up tourney at Lakeside Green. **John Mackasey** ran the Winter Mixed Bridge Club and **Sam and Betty Switzer** ran their annual wood-cutting & picnic at Bragg Creek.

Distinguished Guests

District Governor Glen Baillie visited us in August. **Marshall Sanders, Mr. Micro-Credit**, who has had a hand in 80 FINCA Banks.

Projects

September 28th we did our Adopt-a-Highway cleanup. **Aqueel Atha** was pleased to present a cheque totaling \$1,779, the proceeds of his May annual garage sale. He proposed an encore in August with residual items unsold!! The club financed and staffed a Feed-the-Hungry at St. Mary's in November. **Roger Joki** ably handled the Youth Exchange and in another on-going program **Stan (Coach) Mulligan** steered our relationship with Shaughnessy High School for another year. We also funded the Interfaith Food Bank and Alpha House.

Fundraising

Bingo started out strong but 20th July Team D was dropped through lack of club support and in August we went to a three team roster. Outgoing Chairman **Ron Morrison** reported revenue of \$3,000 for the past year.

Exchange Students

Our outbound student, going to France was **Julie Monk**. Incoming from South Africa was **Landman (Landie) Goosen**. **Jennifer Adams** returned to us after a year in Thailand. **Yvan Botteron** was our Ambassadorial Scholar from Switzerland.

Paul Harris Fellowships

A Paul Harris fellowship award was made to **Margot McDermott** for her participation in the Calgary Stampede & The Young Canadians. In April **Don Novinger, Past President & Past District Governor** presented a Paul Harris Fellow to the **Charter President of our club Doug Ross**.

Other News and Events

Sa'adat Keshavjee was very active running the RYLA, RYPEN and Adventures in Citizenship programs. One very special initiative by **Steve Rickard** was put to Rotary International Foundation that the Foundation should back Credit Funding to village micro-banks on promissory notes. This would require no funding and would be self sustaining as 95% of loans are repaid!! The CUPS fundraiser at Calaway Park thanks to **Bev Berenson**, raised a total of \$16,668.33. \$5,000 of that due to the efforts of Calgary West! **Steve Rickard** attended a Micro-credit Conference in Washington, D.C. The Rotary Chuck wagon was off and running again this year **Lynne Thornton** told us.

At our 2nd May meeting \$411 was donated on the spot to assist in aiding Manitoba flood victims. **Ron Jones** challenged the Board to match that contribution. **Stan Mulligan** was urging support for Shaughnessy High School "Business Leadership Class". It was later in the year that **Stan** proudly announced that Shaughnessy was not LORD Shaughnessy High School! It was at the same meeting that our speakers gave us a preview of events to take place in the up-coming World Police & Fire Games.

On the 9th of May it was announced that **Ted Valentine** had been nominated for **District Governor 1999**. The announcement was greeted with great cheers. **Mike Carlin** was introduced as incoming President for the next Calgary West Rotary year.

In his Treasure's Report for 1996-1997 **Mike French** revealed that we had donated \$16,690 to Community Service Projects, \$4,500 to International Service Projects and \$4,907 to Vocational Service Projects.

On the last day of February **Mike Carlin** stood in for President **Dave Parker** who it was announced was on an extended trip to Australia. The trip became very extended when we found out that Parker had married an Australian girl and would not be coming back!! It was a mess. Someone had to run the club for the rest of the year and as Past President the lot fell on **Stan Cichon**. Stan rallied round nobly and with the aid of other Past Presidents chairing meetings, ran a smooth and seamless program for the balance of the year!!

In answer to the unsettling challenge of an absconding President Calgary West closed ranks and rose to the occasion in fine fashion and coped with aplomb!!! It was a very good year! **Ron Staughton**, Club Historian.

1999 – 2000

President: Dan Doherty
Past President: Bill Quinney
Vice-President: Steve Rickard
Secretary: Gordon Rodrigues
Treasurer: Bob Hamshaw
Directors: Bernie Ward, Don Bateman, Mike French, David Watson, Bev Berenon, Walter Krawciw, and Tony Knight (served first half of the year).

WOW Year

The theme for the 1999-2000 Calgary West Rotary year was WOW:

W – Will to Change
O – Orderly Fashion
W – Wonderment

The primary objective of the Club for the year was by simplifying our focus; we could increase involvement, and have all members feeling like they truly had made a difference. Each of the four avenues of service and the respective Board Member established their own **WOW's** and achieved great success through the year.

Club Service – Bernie Ward & Bob Hamshaw (Treasurer)

Objective was to maintain 80% attendance and not to lose a member for dissatisfaction or lack of interest. A 100% meeting was held in honor of **District Governor Ted Valentine's visit**. **Ted**, a proud member of Calgary West, was the third DG from our club to lead the District. The programs started with high energy and cranked up through the year. A highlight of the year was when the recipients of funding through a Mennonite Micro-credit bank held a craft fair before and after our regular meeting. A computer servicing firm, a local band, and outstanding Native Artist and children's author presented their wares and

clearly showed the membership the impact of its efforts. The Piping in of the Haggis, **George Reed** speaking on the Special Olympics, and CWRC presenting **Ed Whalen** a Paul Harris Fellowship for his leadership in the community are all highlights of an absolutely **WOW** year of Rotary fellowship.

Community Service – Don Bateman & Mike French

WOW was defined as putting a face on the many projects that we have and continued to support. By requiring each and every recipient of Community Funding to attend the club the membership was definitely kept informed about where our funds were going. Rotary Challenger Park was in its infancy and Calgary West through the leadership of our own **David Watson** played a major role in moving this World Class facility forward. Cars for Kids Cancer, program initiated by member **Gerry Lebsack** (deceased during the year) was held at the Olympic Oval, and was the largest and most successful event in a number of ways – outstanding club involvement, media coverage and dollars raised. A highlight of the event was **President Dan** shaving his head and raising over \$8,500 for the Kids Cancer Care Foundation. Feed the Hungry involved a large number of members and their families and kept CWRC grounded in community service. **Karl Hertzog** – Motivaction – was our Integrity Award Winner, going on to become a member and future director of CWRC. StreetLight, a group working with street kids was a major recipient of a large donation, as were Meals on Wheels and William Roper Hull Child & Family Services. **WOW!**

Vocational Service – Bev Berenson

Lord Shaughnessy High School and David D. Oughton Elementary School remained our primary focus. The reading program at David D. Oughton remains as one of the most powerful and franchising programs the clubs has been involved in. While only involving a hand full of members led by **Roger Joki**, the impact of the one-on-one reading time has had a life long influence on the elementary students and probably more so on the Shaughnessy students who volunteered their time. Again another **WOW!!!**

International Service – Tony Knight (world traveler of note) and **Steve Rickard** (President Elect)

How better to provide international service than through micro-credit banking and youth exchange. **Clair O'Fee** (New Zealand) and **Camille Cuvelier** (France) were outstanding inbound exchange students and **Steve Bathory** represented the club very well in Thailand.

Calgary West sponsored a village Banking group in Guatemala, funded a water filter program in Haiti, continued to fund Operation Eyesight and sent over 600 soccer uniforms to St. Lucia. **WOW.**

As with almost every year a priority was placed on finding the solution to the age-old problem of fund development. Director **Walter Krawciw** ably handled this onerous task. The club eventually voted to take some time away from Bingo to

explore. The club worked at a LPGA event and co-hosted the Pinebrook Charity Pro-Am both events requiring club participation, and resulting in wonderful fundraising opportunities. The Stampede Breakfast was well on its way to becoming world famous contributing to CWRC's fund development and fellowship along with providing parking assistance at Spruce Meadows. A wayward attempt to make the Boltman truly international celebrity flopped when the specially designed Boltman and his traveling case were put in the hands of a French Rotarian never to be seen or heard from again!

Throughout the year **Gordon Rodrigues**, as club secretary, and **Bill Quinney**, as past President, kept us focused as CWRC in 1999-2000 experienced a **WOW** year!!!

Fundraising

We placed considerable emphasis on re-organizing our fundraising events:

- After much soul searching the club finally stopped doing Bingo. By and large, this was a popular move.
- We embarked upon a major fundraiser, our Minga event which was held at the Calgary Golf & Country Club and was a great financial success.
- The club undertook to join the Chinook Club in parking cars at Spruce Meadows and at the Farmers' Market. However, some burnout of club members led to a deterioration in the number of volunteers and we were unable to complete our obligations.
- Strawberry Shortcakes was once again a resounded success.
- Cherry sales (lead by **Chris Lee and Bill Tapuska**) were successful once again even though the numbers were down this year.
- The Stampede Parade Breakfast (9 July 2004) was its usual success.
- There was no casino this year.

In Memoriam: Harold Sharlow

The passing of Harold Sharlow on September 24th marked another milestone event for our Club. Harold (lyrics) and “Joe” Johanson (music) had been a musical force in Calgary West for decades. Harold, a retired school teacher, brought two songs each week for the Club to enjoy and participate in – in “Music & Song”. They weren’t long – part of the beauty of it – but they were witty and thoughtful reflections on the day’s guest speaker and on contemporary events. The music was “contemporary” (although this was a relative term!). Harold and his bride, Madeleine, celebrated 52 years of marriage in July. We held a special memorial meeting for the Club and his family on November 18th. Harold was (and is) missed by our Club.

Sickness & Health: Crawford Caswell (heart – July), Harold Sharlow (d. Sept. 24th), Joe Johanson (hospital – November, moving to Wentworth Manor in late January), Theresa Aboussafy (d. Jan. 1st), Bernice Axford (101 years young on Feb 3rd), Verneil Martin (broken thumb and wrist, and several cuts & scraps to her face, hands & knees – airport, February), Jill Huffman (hip replacement – Feb), Ruth Rogers (Foothills - May 4 w/ compressed disk), Ann Novinger (d. May), Bill Lawless (35 years of marriage – May), Stan Beveridge (40 years – May), Doug Martin (MRI – May 26th),

New stuff: a new form of “roster” (dubbed the “Club Handbook”) – with photos! – was introduced; new rectangular magnetic name badges replaced the large round clip-ons; Club inventory and “garage sale” of redundant items (thanks Jim Barnes!).

Guest speakers: Roy Thoreson (whistler), Lee Richardson (MP), Louise Tyminski (outbound exchange student), Ken King (Flames), DG Steve Rickard, George Brookman (Stampede), Marilyn Gunn (community kitchens), Naomi Holland (Serve Nepal), Doug Maddems (Talisman / Street Kids Int’l), Frank Jewsbury (Cameo – landmines), Richard Walker (World Skills 2009), Amanda Oliveira (exchange student), Grant Kelba (original Harvey the Hound), Rhonda Riseborough (Terry Fox run), Brenda Brown (FCC), Karen Bronstein (Hospice Calgary), Ron Brookes (classification), Claire O’Fee (exchange student), Keith Paget (Qualico solar homes), Brenda Sali (classification), Peter Josty (Alberta innovation), Laurie Maslak (HR assoc’n), Carly Somerville and Melissa Gerlinsky (Alberta Mentor Foundation for Youth), Gerry Madigan (leadership / classification), Ken Friesen (Concours collision), Jeff Turner (Lord Shaughnessy – 20 year partnership), Ross Marsh (philanthropy), Ambrose Samulsky (SAIT), Don Smith (historian – Lougheed building / Grand theatre), Kim Veness (Light up the World), Carla Cohen (Ronald McDonald house), Sid Andrews (Inglewood Bird Sanctuary), Jill Wyatt and Mitch Ravvin (YMCA), Judy Pedersen (Ft. McMurray), Diane Pask (Calgary’s International Peace Conference), Frank and

Kathleen Mayhew (Adopt a Village), Essaya Chikmoroff and Michael Cheung (exchange students), Walter Haessel (Cambodia), Rick Guthrie (Dad's day), Vanessa Everett (SAIT-Aboriginal Workplace Issues), Ashley Bromby (exchange student).

Notable in R.I. Interesting Rotary International appointments: **Wilf Wilkinson** as **R.I. President Nominee** for 2007-2008 (the first Canadian RI president) and **Monty Audenart**, from Red Deer, as **Zone 22 Director Nominee** for 2007-2009.

Our own Steve Rickard was our District 5360 Governor in 2005-06. It was very special once again having a club member as DG. While there was some apprehension in Calgary West about our membership being "tapped out" by the required and necessary support for our DG, the Club never seemed hobbled by this responsibility. It even meant we had an extra special District Convention in April!

Students / Youth

One of the changes in this year's Roster was to include not only "partners" of deceased Club members, but our various exchange students. **Heather Goudie** was the recipient of the "Rotary Service Award", a \$200.00 scholarship for a student graduating from the school. We had an abundance of exchange students this year! **Gordon Lamb**, one of our outgoing Exchange students, left for Denmark on July 31st. **Louise Tyminski**, our other ambassador, left for Hungary in August. **Amanda Oliviera** from Brazil, was our inbound student. She left us just prior to Christmas, after a busy year of activity – probably topped by the fun at the "Taste" event! **Jenny Taboada** arrived from Argentina on Feb. 5th. Our summer outbounds were **Essaya Chikmoroff** (Hungary) and **Michael Cheung** (Denmark) – both spoke at the Club in early June.

Money

The fiscal philosophy this year might have been "givin' it all away". We had amassed funds from our continuing casino and bingo efforts and we had a legal obligation to distribute these funds.

To spend money, tho', we had to raise it first! We did two casinos - one for Habitat for Humanity (commencing a long-standing partnership with H4H) followed immediately by our own casino – a four day run from March 16 to March 19! Each casino raised over \$75,000! We also did another volunteer effort casino for Motive-action on March 4th & 5th. Our other big fundraiser was Strawberry Shortcakes, bringing in about \$15,000, with the Stampede breakfast coming in third at just under \$6000. Although we had great expectations for "Taste of Calgary", we had some teething problems and the ended with a small deficit.

Murray Hunter reminded us at the Fall Assembly that the Club needed about \$30,000 - 35,000 to run basic club operations - covering dues to RI and the

District, the International Convention for the president and spouse to attend, insurance, the bulletin, meeting expenses, Integrity Awards, the President's Party, We Care/Be a Friend, membership development, social activities and fellowship.

The "community" account was where we gave most of our fundraising away. By year's end, we spent about \$106,000, with \$45,000 to "new projects", \$38,000 to International projects and \$18,000 to Youth activity. Beneficiaries of all this money included youth exchange, the 4 Way Test contest, Adventures in Citizenship, RYLA, Lord Shaughnessy, David D. Oughton, RYPEN, the reading programme, drug dogs, scholarships, Opportunity International, Paul Harris, Operation Eyesight, Feed the Hungry and other new projects. We provided another \$15,000 to Calgary Rotary Challenger Park in July, raising our cumulative total to \$29,000 (President Chris was a big supporter of CRCP, attending a celebration honouring the completion of the first 3 phases of the Park held on September 10th.) In March we gave CRCP another \$9700 for a 'gator'!

We continued to be a big contributor to and beneficiary of the Calgary Rotary Clubs Foundation. As reported by David Watson, as of February 28, 2005 we had a total of \$219,246 in the general fund.

Events

We had many of the "typical" events during 2005-06 – the Stampede Parade and Breakfast (July 8th), Cherries fundraiser (July 19th), Fall Springbank Hall BBQ (Sept 23rd), Highway Clean-up (Oct 1st), Feed the Hungry (St. Mary's Hall, October 23rd), Christmas Party (November 18th), Pinebrook Christmas Brunch (Dec. 18th), Salvation Army Christmas kettles, David D. Oughton Christmas carol student visit (Dec. 23rd), Bob Kerr and "Ode to a Haggis" (R. Burns Jan. 20th meeting), Strawberry Shortcakes (surprise! – Feb. 14th), Fireside (March 1st at the Elbow River casino), Integrity Awards (March 6th), 4-way Speech contest (March).

Club Assemblies: October 26th (Danish Cdn Club) and March 29th (Elbow River Casino). Doug Chisholm ably organized these assemblies – an important measure of the Club's direction and goals and an opportunity for the current President to look at things midway through his / her term and for the in-coming Pres to provide insight on the coming year.

Golfing: Innisfail (July 27th), Inglewood (Aug 17th, club champs) and Spirit River (May 31st).

Some events were unique to this year. "Taste of Calgary" (August 4 – 7) was given a two year go. Great expectations, disappointing results. However, everyone enjoyed the fellowship. "Habitat for Humanity" – our first H4H home build project in Dover took place on September 17th. It was a coolish day, but we blitzed through our work, completing a single dwelling on the end of a 4 unit

townhome, from foundation to rooftoping in one day! Dan Varvos was the coordinator and Robyn Braley did a wonderful job on PR!

We had our first “sampling” of our future Rotary home during August when we conducted three of our meetings at Sam Switzer’s Elbow River Casino.

February 2006 - Olympic gold medalist **Chandra Crawford** hails from Canmore and is former club member **Jack Crawford’s** granddaughter!

Steve and Marie Rickard, Des and Eileen DeFreitas, Marg Henschel and Mike French went to the Dominican Republic in February where Mike led a contingent of Rotarians from our district to visit a Microcredit project under the "Make Poverty History" campaign on an "insight trip". While in the general vicinity, they visited some other projects sponsored by Calgary South and Calgary Chinook on the Haitian border.

We were the host club for the District Conference (April 28th – 30th). Organizing this event was our Club responsibility and Bill Quinney and his team did a wonderful job. 60 members of our Club attended out of 450 registrants. This event introduced members Pauline and Garth Evans to our Club (and we to them!).

Reflections on a Year (by PP Chris)

To start the year by attending the R.I. convention in Chicago, on the 100th anniversary of the founding of Rotary by Paul Harris, was amazing. As an architecture buff, I can’t think of many places that can top the “Windy City”! I can speak for every in-coming President of this Club, I think, when I thank the Club membership for the privilege of its support in attending the R.I. convention. There is no better way to get ‘primed’ for your year of Club leadership.

I was proud to have my niece, Madeleine Davis, as my guest at the head table at my first official meeting on July 15th. Also present were my Dad (Dave) and stepmom (Sherree) and my sponsor and uncle, Fred Scott. A great deal of mention about my being “on time” for this meeting underscored a concern that did not bear fruit during my presidential year (other than on three documented – I counted ‘em - occasions!). However, it may have simply been one aberrant year!

My Presidential year closed with the President’s “Ball” at the Glencoe Club on Thursday June 22nd, where I had the honour of presenting a Paul Harris Fellowship to my wife, Beverly Berenson.

Acknowledgements

I would like to acknowledge the solid support of my former spouse (and ex-Club member) Bev Berenson during my term of office. As a past Club member and

director, Bev knew what the job of being the Club's leader would entail and her being there for me during that year was invaluable and hugely appreciated.

David Williams continued to put together our weekly "Westerner", from which I have drawn much of this material. He was also the stoic "clockwatcher" of the club. Thanks David!

"The year of Change"

Joined: Jim Barnes, David Elson, Garth and Pauline Evans, Mark L. Ferguson, Matthew Hanrahan, Adam Joyce, Al Rosen, Kurt Schurer and Jim Walker.

Starting right from the beginning you could tell that this wasn't going to be an ordinary year; little changes would grow into bigger changes and culminate with the "Mother of all changes" for a club that had settled comfortably into a routine and its surroundings.

Little things like introducing the Head Table but not stating where the individuals were seated. President Mike thought they would recognize their own name and stand when announced! Other little things like asking the thanker to present the club momento, the "Boltman", on behalf of the club to the guest speaker each week.

And not such a little thing as having a buffet style luncheon introduced rather than table service. Would this see the year out or fail as happened once before?! Then after a few weeks he changed the format of the meeting. The usual procedure had been to welcome everyone, sing the Anthem, say Grace and eat; then business and speaker. But now it was different, we still had a welcome and the Anthem but then came the business portion of the meeting. Many a Past President ventured forward with the words "We haven't said Grace" only to realize that it was to be given after business had been conducted.

And then, instead of remaining comfortably behind the podium, he ventured forth amongst the membership with micro-phone in hand and had the announcements made from the floor, sometimes catching members unaware that they were to speak, or catching their whispered conversation with their neighbour for everyone to hear. This was change indeed!

Would he be burnt at the stake or were the members ready for change? "Witch" would it be?!

Each week the President highlighted a year of our club's history and reminded us who was the President as he lead us towards, most of us unsuspecting, our 40th anniversary celebration. Occasionally he would start the meeting by introducing the Patron Saint's of Wales, Ireland and England, not Scotland because they celebrate Robbie Burns day, and have some fun doing so even throwing leeks from the Podium on Saint David's day. And another new feature, the club now owned it's own audio visual equipment and a power point slide show welcomed members and guests alike to the club, introduced some of our projects, recognized birthdays and special events.

Then the 50/50 draw changed and a accumulator "Pot" was added to create a meaningful win to the member who cut the joker and could recite the 4 Way Test. The programs were entertaining, informative and well balanced.

Membership grew from 83 to 90, plus 2 honorary members.

Contributions to the Rotary Foundation of Rotary International were at a record level of over \$20,000.

Fundraising was kept to the basics so the club could enjoy fellowship without the stress of a new major event.

Gifting was well thought out by the committees and funds were distribute to:

<u>Who</u>	<u>What</u>	<u>Amount</u>
YWCA	Awning	\$ 5,000.00
Inn from the Cold	Hampers	\$ 500.00
Association for Brain Injured	Support costs for one individual	\$ 2,500.00
Museum of regiments	Support one student on Vimy Ridge tour	\$ 5,000.00
EMS	Capsule of life program	\$ 1,500.00
Further Education Society	Supports Education Coordinator for Literacy	\$ 3,000.00
Rotary/Flames Foundation	Support the Reach program initiative in Calgary	\$20,000.00
Hearts and Hands	Stoves for Guatemala	\$ 900.00
Rotary Heritage club	Dajabon Training center Bio-Sand Water Filter	\$ 5,000.00
Shelter Box Canada	Provide 6 emergency boxes	\$ 6,900.00
Homes for Hope	Building a house in Mexico	\$ 7,125.00
Rotary Club of Olds	Micro-credit program through Medic Canada	\$10,000.00
Total		\$67,525.00

A strategic plan was developed and approved including the ability to carry out multi year projects.

The bylaws were amended to reflect the current Board structure, include important information, financial and otherwise, so that it wouldn't get lost over time, and also to reflect the strategic plan so as to allow it to be implemented fully.

Assemblies were held at Fort Calgary in September 2006 and Heritage Park in May 2007 with everyone enjoying the change in venue and the tours and entertainment provided.

June 1st witnessed the first permanent change in venue for 30 years as the club said farewell to the Danish Canadian club and moved to the Elbow River Room at the Elbow River casino. This "Mother of all changes" was motivated by the deteriorating quality of food and service, concerns over parking and lack of assurance that the DCC would remain available.

It proved an instant hit as members enjoyed a sumptuous feast each week thereafter.

We celebrated the clubs 40th Anniversary at a regular meeting of the club by recognizing Howard Miller the Past President of the Rotary Club of Calgary South (Manchester) who was responsible for our club being Chartered in 1967, the Past Mayor of Calgary in 1967 Jack

Leslie and we had a presentation on the historical development of our city from 1967 to 2007. We recognize our only remaining Charter Member Fred Ronicker, together with first year members John Rymes, Clarence Buckley and Rod O'Hara, all still members of the club.

The updated History was soon to follow, swiftly followed by a line of Calgary West clothing showing our year of Charter, as was a new web site, to better reflect the character of our club.

The Presidents Ball was held on June 27th at Fort Calgary in grande style with live music from the Stork Club.

Other socials included a well attended Fall BBQ at Springbank, a formal Christmas Dinner at the Country Club and Christmas Brunch at Pinebrook, with guest Opera singers. Members socialized over supper evenings, golf games, bridge foursomes and more.

The changeover meeting was held on June 29th with Dr. Isabelle Latour PhD as our guest speaker on the Neuroarm, one of the Rotary/Flames Foundation projects that we hope to fund in the future.

President Mike wrapped up his year no longer wondering what would be written about us this year because everyone knew that The Rotary Club of Calgary West is **“Where Rotary Works”**

Pins were exchanged and a new year started.
